## REPORT OF THE TRUSTEES (continued)

### Objects

The objects of the Trust as given in the Trust Deed are for general charitable purposes.

### Organisation

The Trust's Settlor, Lord Sainsbury of Drury Lane died in 1998, after which his son Simon Sainsbury guided the Trustees' decisions until his own death in September 2006. Simon's brother Sir Timothy succeeded him as Chairman and the Trust continues to maintain the distinctive character of grant-making demonstrated for over forty years by the founder.

The Trust is one of the Sainsbury Family Charitable Trusts which share a common administration.

The remuneration of the senior staff (including key management personnel) is reviewed by the trustees on an annual basis taking into account the requirements of their role and performance during the year. From time to time the SFCT Management Committee benchmarks pay levels against the comparable positions in similar organisations.

### Policies

During the year the Trustees considered proposals under the following categories:

Civil Liberties and Community Relations

Overseas

Scientific and Medical Research

Youth Work

General

The Trustees concentrate their resources on a small number of categories which build on themes from the Trust's earlier grant-making. Proposals are likely to be invited by the Trustees or initiated at their request. Unsolicited applications are unlikely to be successful. Grants are not made to individuals.

### Reserves Policy

It is the Trustees' policy to approve grants for payment over a period of years, subject to certain conditions over the life of the grant. Those expected to be paid within twelve months of the year-end are accrued in the accounts, whilst those grants due to be paid after this date are not accrued. The latter are referred to in note 3 to the accounts and amount to £58,000. They represent funds earmarked for continued support to certain existing beneficiaries, although formal commitments have not yet been made. Cash flow projections for income and expenditure are regularly reviewed to ensure that the level of available reserves is adequate and that the Trust is in a position to meet all its commitments.

## REPORT OF THE TRUSTEES (continued)

The Trustees consider that when possible it is appropriate to hold funds, both to meet the short-term working capital needs of the Trust and in anticipation of the potential payment of subsequent grant instalments. Unrestricted reserves at 5 April 2016 were £13,085 (2015: £40,849). In the unlikely event that the Trustees find themselves unable to meet current commitments from the future income, they would be willing to draw on expendable endowment in order to meet those commitments, as they see fit. As at 5 April 2016, the Trust held total funds of £14.6m.

### Risk Assessment

The Trustees have examined the major strategic, business and operational risks to which the Trust may be exposed. Through the joint office of the Sainsbury Family Charitable Trusts, adequate systems are in place to meet such potential risks as the Trustees have identified. The Trustees continue to be vigilant and to keep processes under review.

The Trustees have identified as a key risk the misuse of funds by a grantee charity. The Trustees normally restrict grants to charities registered with the UK Charity Commission or equivalent bodies. The awards are made following a thorough assessment and grants are regularly monitored; multi-year grants are paid only on receipt of satisfactory progress reports.

### Investment Policy

Trustees meet with their investment managers twice a year to discuss investment strategy and also to seek to ensure that the Trust's income requirements are met and that long term capital growth is in line with relevant indices. The Trustees normally hold investments for the long term.

### Charities and Public Benefit

Trustees are aware of the Charity Commission guidance on Charity and Public Benefit and confirm that they have complied with the duty in Section 17 of the Charities Act 2011 to have due regard to it. They consider the full information which follows in this annual report, about the Trust's aims, activities and achievements in the many areas of interest that the Trust supports demonstrates the benefit to its beneficiaries, and through them to the public, that arise from those activities.

### Review of the Past Year

During the year the asset value of the Trust decreased from £15,372,907 at 5 April 2015 to £14,586,687 at 5 April 2016, a fall of 5% as a result of market falls. The net unrestricted income of the Trust for the year after charging support costs was £440,321, a decrease of 3% on the previous year's figure of £455,740.

The Trustees met twice during the year to make grants.

## NOTES TO THE ACCOUNTS

### 1. ACCOUNTING POLICIES

The financial statements have been prepared in accordance with the Charities SORP (FRS102) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The financial statements have been prepared to give a 'true and fair view' and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The trust constitutes a public benefit entity as defined by FRS 102.

The Trust transitioned from previously extant UK GAAP to FRS102 as at 6 April 2014. No adjustments arose from the transition to FRS102.

In the opinion of the Trustees, there are no material uncertainties casting doubt on the going concern of the charity.

#### a) Income Recognition

- (i) Income is shown gross which includes the associated tax credit unless the tax so deducted is considered irrecoverable.
- (ii) Dividends are included by reference to their due dates.
- (iii) Interest is included when receivable.

#### b) Expenditure on Charitable activities

The Trustees consider that grant-making is the Trust's sole charitable activity. Grants for which there is a legal obligation, or a valid expectation of receipt by the beneficiary at the year end, and for which conditions attaching to their payment have been fulfilled, are accounted for within the Statement of Financial Activities. Grants approved subject to conditions that have not been met at the year end are noted as a commitment (see note 3).

#### c) Investments

Net realised and unrealised gains and losses are reflected in the Statement of Financial Activities. Investments are shown at mid market value. Partial disposals are accounted for using average book value.

#### d) Support and Governance costs

Most of these costs support the grant-making activity of the Trust and are so allocated. They comprise in the main a share of the staff and office costs of the joint office of the Sainsbury Family Charitable Trusts, which are allocated in proportion to time spent on Trust matters and grants paid. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include fees for statutory audit, legal fees where relevant, together with an allocation of support costs.

## NOTES TO THE ACCOUNTS

### 1. ACCOUNTING POLICIES (cont ...)

#### e) Depreciation

Fixed assets are depreciated at rates which reflect their useful life to the Trust.

Leasehold improvements - 10% per annum

#### f) Financial Instruments

The Trust has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at amortised cost using the effective interest method. Financial assets held at amortised cost comprise cash at bank and in hand, together with accrued interest and other debtors. Financial liabilities held at amortised cost comprise grants payable and accruals.

Investments, including bonds held as part of an investment portfolio, are held at fair value at the balance sheet date, with gains and losses being recognised within income and expenditure.

At the balance sheet date the charity held financial assets at amortised cost of £715k (2015: £673k), financial assets at fair value of £14,046k (2015: £14,914k) and financial liabilities at amortised cost of £194k (2015: £236k).

#### g) Cash and cash equivalents

Cash and cash equivalents include cash at bank and in hand, cash held for reinvestment and short term deposits.

#### h) Critical accounting judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, which are described in note 1, Trustees are required to make judgements, estimates, assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects the current and future periods.

In the application of the charity's accounting policies, which are described in note 1, Trustees are required to make judgements, estimates, assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

In the view of the Trustees, no assumptions concerning the future or estimation uncertainty affecting assets and liabilities at the balance sheet date are likely to result in a material adjustment to their carrying amounts in the next financial year.

### STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and regulations.

Charity law requires the Trustees to prepare financial statements for each financial year in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards) and applicable law.

Under charity law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of its net outgoing resources for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue to operate.

The Trustees are responsible for keeping proper accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## Independent Auditor's Report to the Trustees of The Alan and Babette Sainsbury Charitable Fund

We have audited the financial statements of the Alan and Babette Sainsbury Charitable Fund for the year ended 5 April 2016 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and the related notes numbered 1 to 12.

The financial reporting framework that has been applied in their preparation is applicable law and FRS 102, the Financial Reporting Standard applicable in the UK and Republic of Ireland.

This report is made solely to the charity's trustees, as a body, in accordance with section 154 of the Charities Act 2011. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

### Respective responsibilities of trustees and auditor

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

### Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the Trustees' Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

### Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 5 April 2016 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with FRS 102, the Financial Reporting Standard applicable in the UK and Republic of Ireland; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Trustees Annual Report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.
